

BEAUTIFUL.
INTUITIVE.
CUSTOMIZED
BY YOU.

DESIGNED TO DELIGHT

The new selfCheck 3000 is beautiful, intuitive and customized to fit into the future of your library.

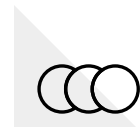

Beautifully crafted

An elegant design and quality materials create a timeless solution that complements any library.

Over 30 years of library feedback influences and optimizes every selfCheck generation.

Lights, text, animation and sound work together to guide patrons through the experience.

Accessible for all

Optional height adjusting kiosk for your patrons' needs, such as children and wheelchair users.

Optional text to voice with headphone jack and keyboard empowers impaired patrons.

Allow your patrons to choose their preferred language and font size for a better experience.

Seamlessly integrated

Recommend books with NoveList® and feature eBooks on your selfCheck.

Make system changes, view alerts and read reports anytime with libraryConnect LINK.

Customized by you

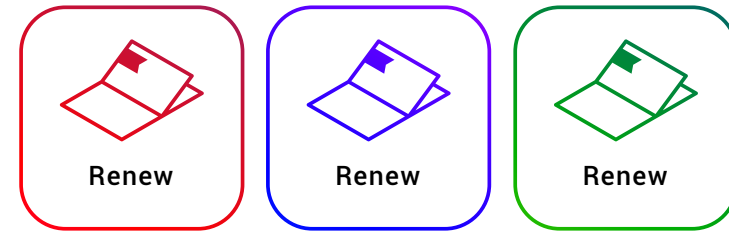

Customize the workflow and brand the selfCheck with your logo, colors and promotions.

Configure your selfCheck stand, payment, shelving, text to voice, check-in options and more.
